

SANCA is Hiring!

Position:

Every Body's Circus Manager

Description:

The Every Body's Circus Manager is responsible for the day to day operations and the annual success of the program as well as providing individual and group lessons for up to 20 clients. The Every Body's Circus program works to provide Individual and Group Lessons, Group Classes with Inclusion, Field Trips and Camps to children with socio-emotional, developmental and physical disabilities. The EBC manager is also responsible for managing EBC staff and acting as a resource for parents and other coaches in the school. The EBC program is a part of the Social Circus Department and the EBC manager reports to the Social Circus Director. The EBC manager works with mostly school age children with diagnoses such as Autism, PTSD, mood disorders and some physical disabilities. We don't turn children away for lack of funds and we are committed to access. If a child wants to do circus, we figure out how to help them do it.
