

# SANCAFEST

October 14–20, 2018

*A celebration of the power of circus!*

Let's raise \$30,000 together and make circus for all a reality!

Funds raised at SANCAFEST support youth scholarships and Social Circus programs.

SANCAFEST is also a Demo Week so invite your friends and family. We'll have a special theme for each day of the week!

## The 2018 SANCAFEST Challenges:

**The Mt. Rainier Challenge** (14,411 feet) – Can we climb the height of Mt. Rainier? We've got 7 days to do it!

**Go for Distance – the Pacific Crest Trail** (2,650 miles) – Most trail hikers take all summer to hike from Mexico to Canada. At SANCA we're going to do it in a week! Break out your unicycles and German wheels, warm up your ankles and wrists for a lot of tumbling passes, or slip on your tight wire shoes!

**2018 Minutes of Circus** – How long can you keep circus-ing? We'll collectively aim to do 2018 minutes of nonstop circus by holding handstands, juggling, balancing on rolling globes, and other endurance activities.

**Every class will choose a group challenge for SANCAFEST! You can also set personal challenge goal that contributes to your class's collective total:**

If your class takes on the Mt. Rainier Challenge, your goal could be making 6 climbs to the top of the rope!

Or make 15 tumbling passes along the Pacific Crest Trail challenge!

Or juggling 3 clubs for 10 minutes in the 2018 Minutes of Nonstop Circus challenge!

## How to get involved in SANCAFEST:

- ① Your coach will tell you about all the ways to get involved and together your class will decide on a group challenge.
- ② Set a personal fundraising pledge goal.
- ③ Complete the Participant Registration card and return it to our office **by September 28**.
- ④ Tell your family and friends about SANCAFEST and ask for contributions in support of your goal. You can do this with our paper pledge form or online by creating a Facebook fundraiser for your SANCAFEST activities. (See the back side of this page!)
- ⑤ Don't miss class the week of October 14–20! Invite family and friends to come to this demo week to see you in action!

### You Can Fundraise on Facebook

#### 1) SET UP YOUR PAGE

In Facebook, on the left side of your screen, there is a column that includes an "Explore" section. From this select "Fundraisers." Select "Raise money for a non-profit organization" and choose SANCA, and select October 20, 2018 as your deadline.

#### 2) TELL YOUR STORY

Facebook provides a general organization synopsis, but they can't share what SANCA means to you personally. What has your circus class done for you? Why is it important to you that **everyone** have the opportunity to take circus classes?

#### 3) SHARE WITH FRIENDS

Once you have created your page, share it on your timeline. If you've participated in SANCAFEST in the past, we recommend letting your past supporters know that you're participating again. Getting their support is a great way to get your page off to a good start.

#### 4) STAY ENGAGED

Update your friends and family on your progress. As we get closer to October 20th, share how much further you have to reach your goal. Try breaking it into smaller pieces: "I just need 10 friends to give \$5 to reach my goal!" That's a great way to remind your friends that every little bit helps.

#### 5) SHARE YOUR SUCCESS!

When you participate in your class challenge, you can even live stream it and continue raising funds as you share your progress. Just click "Live video" on your fundraising page and stream away!
